

GRADE 2 CRE NOTES

STRAND 1: CREATION

Self Awareness

Introduction

Self-awareness is understanding and appreciating who we are as individuals. It helps us value our uniqueness and learn how to relate well with others. This topic teaches learners to identify their likes, understand their physical features, and appreciate their roles in the family and community.

Key Bible Verse: *"So God created mankind in His own image, in the image of God He created them; male and female He created them."* – Genesis 1:27

This verse reminds us that everyone is special and made by God.

1. What Do You Like About Yourself?

a. Identifying Likes

- Think about what you like about yourself, such as:
 - o Your smile, kindness, or abilities.
 - o Your favorite activities like singing, drawing, or playing.

b. Activity: Draw and Share

- Draw a picture of yourself and include things you like about your appearance or abilities.
 - Share your drawing with a friend and talk about your likes.
-

2. Why Are You a Special Creation?

a. Understanding Our Uniqueness

FOR COMPLETE NOTES CONTACT MADAM PAULINE 0726937493

- God made everyone unique and special.
- We have similarities and differences that make us who we are.

b. Activity: Discuss and Observe

- Read Genesis 1:27 and Psalms 139:13 with your teacher or parent.
- Discuss what makes you similar or different from your friends.

Example:

- "I have curly hair, and my friend has straight hair."
 - "We both enjoy drawing."
-

3. Helping at Home

a. Identifying Chores

- Think about the chores you do at home, such as:
 - Cleaning your room.
 - Helping with cooking.

b. Activity: Role Play

- Pretend to do different chores at home, like sweeping or washing dishes.
 - Share why these chores are important for the family.
-

4. Appreciating Family Members

a. Naming Family Members

- Family members include parents, siblings, and extended relatives like grandparents and cousins.

b. Activity: Draw Your Family

- Draw and color pictures of your family members.
 - Label each member and share what you like about them.
-

5. Sharing at Home

a. Items We Share

- Discuss items you share at home, like:

- o Toys, food, and books.

b. Items We Don't Share

- Identify items that shouldn't be shared for hygiene, such as:

- o Toothbrushes and towels.

c. Activity: Draw and Color

- Draw items you share and don't share at home.
 - Use different colors to highlight shared and personal items.
-

Reflection

Questions to Think About:

1. What do you like about yourself?
2. What chores do you do at home?
3. How can you help your family?

Write Your Answer:

Write one thing you like about yourself and one way you help at home.

Example Answer:

- I like my kind heart. I help my family by sweeping the floor every morning.
-

Prayer

Say this prayer with your teacher or parent: *"Dear God, thank You for making me special. Help me to appreciate myself and my family. Teach me to love and help others every day. Amen."*

Conclusion

Self-awareness helps us understand and appreciate who we are. It also teaches us how to relate with others and contribute to our families and communities. Let us always thank God for making us unique and special.

Creation of the Sky, Sun, Moon, and Stars

Introduction

The sky, sun, moon, and stars are part of God's beautiful creation. They remind us of His power, creativity, and care for the world. This lesson helps us appreciate these elements of creation and understand their significance in our lives.

Key Bible Verses:

- *"And God said, 'Let there be lights in the expanse of the heavens to separate the day from the night. And let them be for signs and for seasons, and for days and years.'" – Genesis 1:14*
- *"The heavens declare the glory of God; the skies proclaim the work of His hands." – Psalm 19:1*

These verses teach us that the sky, sun, moon, and stars were created by God and show His greatness.

1. Who Created the Sky, Sun, Moon, and Stars?

a. God as the Creator

- The Bible tells us that God created the sky, sun, moon, and stars on the fourth day of creation.
- He gave them specific purposes:
 - The sun to rule the day.
 - The moon to rule the night.
 - The stars to light up the night sky.

b. Activity: Bible Reading

- Read Genesis 1:14-19 with your teacher or parent.
 - Discuss what each element of creation does for us.
-

2. Observing the Sky

a. What Do We See in the Sky?

- During the day:
 - The sun shines and gives light and warmth.
- During the night:
 - The moon and stars light up the sky.

b. Activity: Day and Night Observation

- Make a list of what you see in the sky during the day and at night.
 - Example:
 - Day: Clouds, sun, birds.
 - Night: Moon, stars, airplanes.
-

3. Creating with the Sky, Sun, Moon, and Stars

a. Drawing and Crafting

- Draw and color the sun, moon, and stars.
- Cut out pictures of the sun, moon, and stars and paste them on a chart to create a night sky scene.

b. Activity: Song

- Sing the song *"Bwana Mungu Nashangaa Kabisa"* (O Lord My God, When I in Awesome Wonder).
 - Discuss how the song talks about God's creation.
-

4. Why Are the Sky, Sun, Moon, and Stars Important?

a. Their Roles

- **The Sun:** Provides light, warmth, and energy for plants to grow.
- **The Moon:** Helps light the night and controls tides.
- **The Stars:** Guide travelers and make the night beautiful.

b. God's Power and Love

- These creations remind us that God cares for us by giving us what we need to live.
-

5. Reflection

Questions to Think About:

1. Who created the sky, sun, moon, and stars?
2. Why are they important to us?

Write Your Answer:

Write one way you can show appreciation for God's creation.
